I wish to support the Event via: -

- Tier 1** offers the highest profile, combining a reserved table with donation of a headline prize, giving programme recognition, and advance exposure through Branch communications, while directly supporting both the West of England and Devon & Cornwall branches.
- Tier 2** provides a reserved table alongside the donation of a tombola or raffle prize, offering meaningful fundraising support and visible engagement with the Institute of Quarrying.
- Tier 3** is a table-only option, ideal for organisations or small parties wishing to attend, network, or host guests at this flagship regional event. Ideal for accommodating smaller numbers of people.

Tiers 1 and 2 are particularly valuable in helping both Branches fund member activities and professional development throughout the year
